SUMMARY REPORT OF INDUCTION PROGRAM (2022-2023)

The induction program for the fresh batch of students joining the **JSS INSTITUTE OF EDUCATION** was organized from February 8-13, 2023 with a well packed five day long schedule.

The aim of induction programme is to help the students who come from diverse backgrounds to adjust to the new environment and inculcate in them the ethos of the institution. The objective of five days long induction programme is to set a healthy routine, create bonding among the students as well as between the faculty and the students. In a way, this period will be used to break the ice and to give a right start to the two year B.Ed. program.

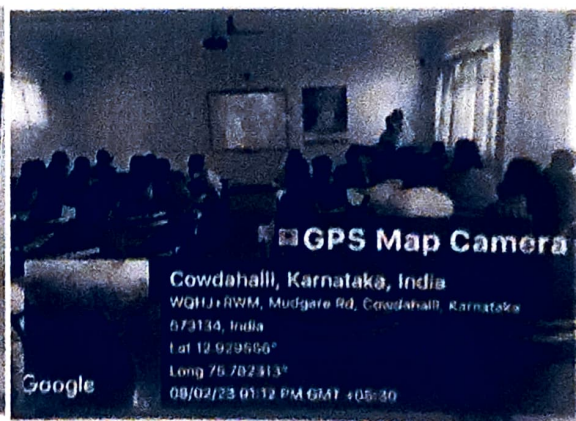

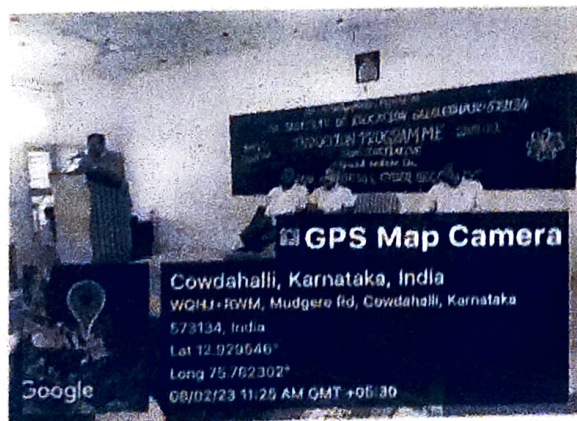

The program was designed to take the fresh students over a typical life at the institution through various courses, student activities both academic as well as extra-curricular offered at the institution, and how the students are groomed over the next two years into a complete holistic professional, equipped with all the necessary skills required by the best of the education field.

DAY - 1: 08-02-2023

Morning session: Welcome Note, Special lecture and video presentation

The Day 1 commenced at 10.30 am with the formal welcoming of the newly joined trainee teachers by the induction program coordinator, Dr. Prabhuswamy M. Asst. Professor and all faculty members introduced themselves to the newly joined trainee teachers by sharing their experiences and academic achievements.

During the session, a special lecture on 'legal awareness and cyber security' was given by the chief guest of the session and eminent person, Sri Shiva Shankar, the police sub-inspector serving in Sakaleshpur town police station. During the session the eminent person gave a lot of information about how to abide by rules, what are the limitations of every citizen, the emergency services which they are providing to the public, what are the cybercrimes? And finally the session was ended through vote of thanks by Sri Kalegowda, Physical Education Director of the institution.

With the help of a video and Power Point presentation, the gathering was introduced JSS Mutt and JSS Mahavidyapeetha, and their accomplishments to the society and educational field by Sri H B Thammaiah, Computer Instructor of the Institution.

Afternoon session: Orientation of perspective courses, pedagogic courses and EPC and EF

This session was boosted up by Dr. Prabhuswamy M, Sri Manjunath R and Dr. Vikram C B by providing the necessary inputs such as total credits, number of contact hours, requirement of attendance, marks allotted and assessment pattern of each perspective courses, pedagogic courses and Enhancement of Professional Capabilities and Engagement with Field work which are prescribed for 2 year B.Ed. Program.

During the session, the induction program coordinator, Dr. Prabhuswamy M, took the required information from the respective pedagogy trainee teachers to form mentors list.

DAY – 2: 09-02-2023

Morning session: Institutional and B. Ed. Program Orientation and special lecture on mentoring with Human Values

The Day 2 commenced at 10.30 am by the head of the institution, Dr. Nanjundappa S and has given a complete information about the history of the institution and its structure; staff rooms, class rooms, library and information centre facilities, computer and science laboratories, psychology laboratory, sports room and facilities which are very essential to pursue a 2 year B. Ed. Programme. He has explained about the institutional norms to the trainee teachers

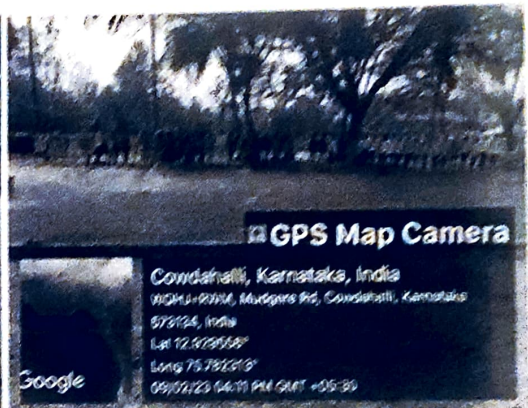

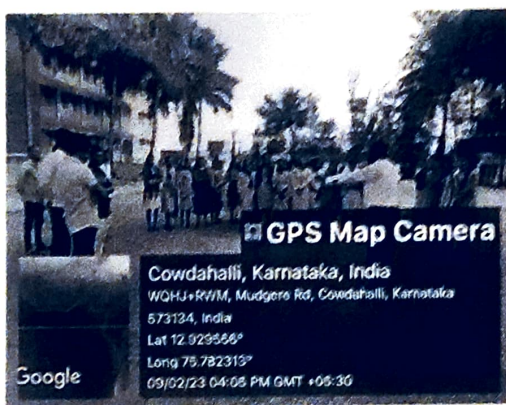

Further, the session was headed by Dr. Dinesh M K by giving a special lecture on mentoring on Human Values and described how values have to be gained and adopt in one's life and importance of values especially for those who are going to become teachers in future. And also narrated about truth, loyalty, peace, non-violence etc., by quoting Buddha, Basava and Sarvagnya.

Afternoon session: Literary Activities, Creating arts and culture and sports activities

The session was taken up by Sri Manjunath R, where he has given information about the importance of literary activities which includes essay, storytelling and explained the importance of listening, speaking, reading and writing skills to the teacher. The session was further steered by Sri D S Manjunath, an art teacher by involving the entrants in activities such as making of geometrical and free hand drawings and made them easy when drawing pictures.

The session was further headed by Sri Kalegowda where he explained the importance of sports in education for all teachers, rules and procedures to be followed while taking up sports classes.

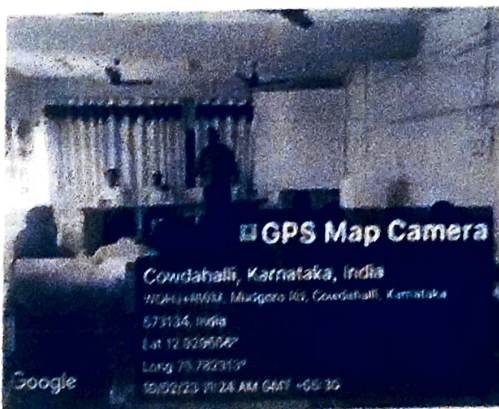

DAY – 3: 10-02-2023

Morning session: Field trip to local place, Indian Cardamom Research Institute

The Day 3 commenced at 10.30 am and entrants were taken to the local place of educational interest, Indian Cardamom research institute and under the leadership of the program coordinator Dr. Prabhuswamy M, Sri Kalegowda and Sri Nanjundaswamy K. N.

The scientist-in-charge, Dr. K N Harsha and research assistants gave much information to the trainee teachers about the structure and history of ICRI, facilities given by the government to perform research on spices, activities which they are performing. He has also described about the types of cardamom which they have invented such as SKP-14, ICRI-4,

ICRI-8 etc., methods of their growth, black pepper and their uses, prevention of diseases to which pepper gets sick. Further they were taken to the field to obtain first hand experiences of the institutional research activities. In Toto, it was an awesome experience for our trainee teachers.

Afternoon session: Field trip to local place, Manjarabad fort

On this day afternoon, the trainee teachers were taken to another local place, star shaped fort by name Manjarabad fort and were given information about its history and features.

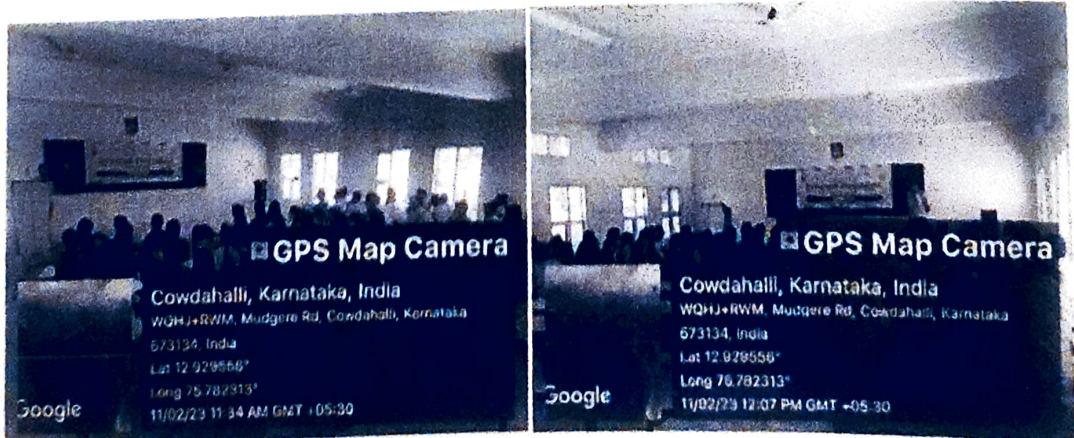

DAY – 4: 11-02-2023

Session-1: UUCMS Workshop

The session was started at 10.30 am by the computer instructor, Sri H B Thammaiah and trainee teachers were given information on use of Unified University College Management System (UUCMS) in areas such as maintenance of personal file, admission process, assessment process, examination process and scholarship facilities. During the session he has also highlighted the educational application of digilocker application software.

Session-2: Library and information centre-facilities and norms

In this session, Sri Damareshwara B C, dept. of library and information science has given information on the library timings, available books, daily magazine, monthly magazine, competitive examination books, Prasada magazine, story books, newspapers, library borrowers card etc., to the trainee teachers and later they were taken to the library to provide first-hand experience.

DAY - 5: 13-02-2023

Morning session: Women Health awareness and COVID-19

The Day 5 commenced at 10.30 am with a special lecture program on Women Health awareness and COVID-19 by health education officer Dr. Rani of Sakleshpur rural. The guest of the function and their staff have given much information on women health and hygiene. A quiz program was also conducted and winners were declared cash prizes by the health department of Sakleshpur taluk during the session.

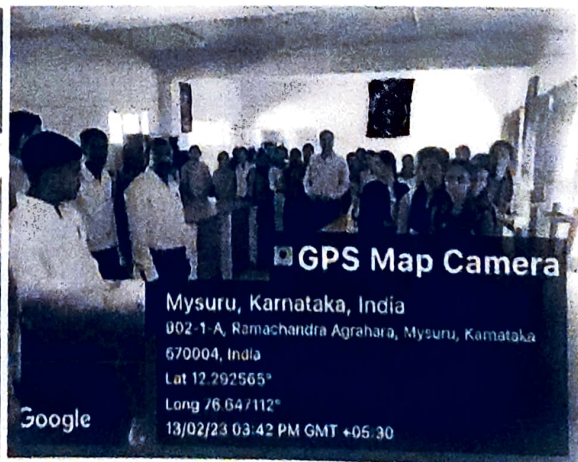

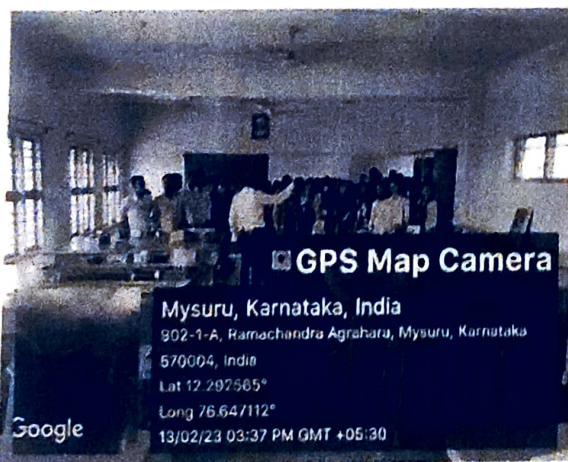

Afternoon session: Campus tour, cultural activities and interaction

In this session, the principal of the institution has taken the trainee teachers to various laboratories like computer, psychology, chemistry, physics and physical education room where physical education director explained about various indoor games.

The program coordinator, Dr. Prabhuswamy M has announced the mentors and informed them that he is going to finalize mentor-mentee list soon after the admission process is over.

The senior trainee teachers have presented various events of cultural importance like dancing, singing, reading their own poems etc., and not only entertained their junior trainee teachers but also gave a message to retain and develop our cultural heritage.

At the end of the session the newly joined trainee teachers gave their feed-back and opinion about the induction program in which they took part.
