

## Socio Economic Survey-A report

A survey on Socio-economic status of Kowdally village was conducted on 24-02-22 with an intension to know its Socioeconomic Status. Kuppuswamy's SES scale was revised and constructed to collect the data. An action plan through which trainee teachers were oriented about the collection of data was designed and accordingly the required data was collected on the above said day. Further the data was analysed to know SES of the village. All the teaching faculty and trainee teachers were participated actively in the said event.
