### **WASTE MANAGEMENT POLICY**

#### **Policy statement:**

JSS Institute of Education, Sakaleshpur committed to manage waste safely and cost effectively by minimizing waste production and improving waste segregation and thereby ensures the health and welfare of all the staff and students through proper waste management techniques. The purpose of the policy is to develop sustainable waste management practices within the college campus to reduce the environmental impact and to make a positive contribution to the local environment. This policy applies to all the members of the institution.

#### **Policy Objectives:**

#### **Our Waste Management Policy aims to**

- Identify and promote safe methods of segregation and disposal of waste.
- Minimize waste generation and to facilitate Repair, Reuse and Recycling (RRR) over disposal of waste wherever possible.
- Providing guidance to all staff and students in safe handling and disposal of waste with regard to health and safety regulations.
- Promote environmental awareness in order to increase and encourage waste minimization and reuse.
- Print double-sided to cut down on waste of papers.
- Provide clearly defined rules and responsibilities to identify and co-ordinate each activity of waste management.
- Ensure that all waste containers are correctly locked and labeled.
- Giving more prominence to paperless administration in our campus to minimize paper usage.

### Implementation:

Segregation of Institution Waste into following categories:

- Biodegradable: food waste, kitchen waste, garden waste, canteen waste and garden waste.
- Non-biodegradable: E-waste, hazardous waste, plastic waste, paper.

Implementation of this policy shall be the joint responsibility of the Principal, Teaching and Non-teaching staff and all students of this institution.

### Responsibilities of Staff and Students:

- Disposing of waste responsibility through appropriate waste disposal system (segregation of waste) in accordance with policy statements and procedures.
- Reporting any problems with waste collection schemes to the Principal.
