25. ALUMNI ASSOCIATION

An alumni association or alumnae association is an association of graduates or, more broadly, of former students. Alumni are great role models for current students and are often well placed to offer practical support to students as they start their careers. Alumni are often in the position to engage the expertise of the institution in their professional lives. One of the main purposes of alumni associations is to support a network of former graduates who will, in turn, help to raise the profile of the institution.

The ultimate goal of any alumni association is to build a strong network that can support and complement the wider aims of institution. The association fills the gap between the present and alumni students and helps in building professionalism. It uplifts the potentialities of the students by organizing guest lectures, training sessions, conducting inter/intra college competitions. The executive committee of the alumni association consists of the following members for the academic year 2021-22.

2. EXCURSION / FIELD VISIT COMMITTEE

An Educational tour solidifies learning and supports important academic concepts. Various trips are organized by the excursion committee to erase the monotony of classroom lectures and to give students the opportunity to visit new places, which develops the overall personality of students. The purpose of an educational excursion/field visits is to provide students with opportunities to learn about something new or different outside of the classroom setting. Excursions/field visits can take many forms, but all should be carefully planned to maximize students' educational benefits. Excursion/field visits method of teaching provides an opportunity to learners to visit different places across the country for their academic enhancement. Research states that excursions are effective and novel pedagogy and teachers report wanting to use them more frequently.

The Institution constituted the committee with the following dignitaries have been appointed as a chairman, coordinator and members of *Excursion and Field visit Committee* for the academic year 2022-2023.

Alumni are great role models for current students and are often well placed to offer practical support to students as they start their careers. Alumni are often in the position to engage the expertise of the institution in their professional lives. One of the main purposes of alumni associations is to support a network of former graduates who will, in turn, help to raise the profile of the institution.

The ultimate goal of any alumni association is to build a strong network that can support and complement the wider aims of institution. The association fills the gap between the present and alumni students and helps in building professionalism. It uplifts the potentialities of the students by organizing guest lectures, training sessions, conducting inter/intra college competitions. The executive committee of the alumni association consists of the following members.

1. OBSERVATION COMMITTEE

Observation Committee involves the celebration of national and international days. These are the rare occasions to educate the students as well as general public on issues of concern, to mobilize political will and resources to address global problems, to celebrate and reinforce the achievements of humanity. We firstly remember the most important days of our country, such as Independence Day, Republic Day, Teachers' Day, Yoga Day, National Constitutional Day and National Voters' Day etc. While the second reason is when someone's existence is in danger, to provide protection to conserve them or to spread consciousness of something important, like World Environment Day, AIDS Day, No Tobacco Day, International Day against Drugs Abuse etc.

The Institution constituted the committee with the following dignitaries have been appointed as a chairman, coordinator and members of *Observation Committee* for the academic year 2023-24.

2. EXCURSION / FIELD VISIT COMMITTEE

An Educational tour solidifies learning and supports important academic concepts. Various trips are organized by the excursion committee to erase the monotony of classroom lectures and to give students the opportunity to visit new places, which develops the overall personality of students. The purpose of an educational excursion/field visits is to provide students with opportunities to learn about something new or different outside of the classroom setting. Excursions/field visits can take many forms, but all should be carefully planned to maximize students' educational benefits. Excursion/field visits method of teaching provides an opportunity to learners to visit different places across the country for their academic enhancement. Research states that excursions are effective and novel pedagogy and teachers report wanting to use them more frequently.

The Institution constituted the committee with the following dignitaries have been appointed as a chairman, coordinator and members of *Excursion and Field visit Committee* for the academic year 2023-24.

25. ALUMNI ASSOCIATION

An alumni association or alumnae association is an association of graduates or, more broadly, of former students. Alumni are great role models for current students and are often well placed to offer practical support to students as they start their careers. Alumni are often in the position to engage the expertise of the institution in their professional lives. One of the main purposes of alumni associations is to support a network of former graduates who will, in turn, help to raise the profile of the institution.

The ultimate goal of any alumni association is to build a strong network that can support and complement the wider aims of institution. The association fills the gap between the present and alumni students and helps in building professionalism. It uplifts the potentialities of the students by organizing guest lectures, training sessions, conducting inter/ intra college competitions. The executive committee of the alumni association consists of the following members.
