Introduction

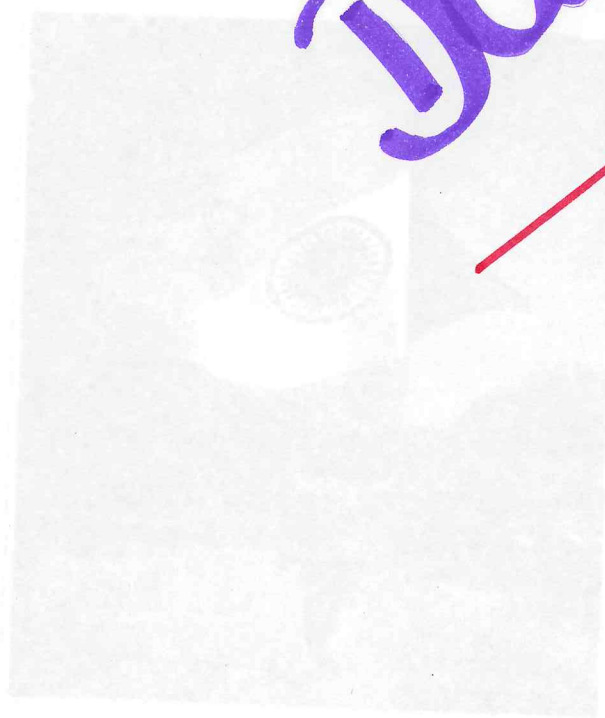

Co-curriculum activities are non academic Pursuits that enhance students holistic development. These activities including sports, clubs, arts and community service build character, social skills and passions.

They reduce academic stress, improve Academic Performance, and Prepare students for future success. Co-curriculum offers a well-rounded educational experience, by fostering Personal growth and Skill development beyond the classroom.

INDEPENDENCE DAY.

The Independence Day is celebrated with great enthusiasm by the people of the country. Before the Independence Day, the streets are decorated and the people are seen with balloons to commemorate the day. The students and teachers of the school also participate in the celebration. We started in school at 7:30 am. Come to school.

INDEPENDENCE DAY.

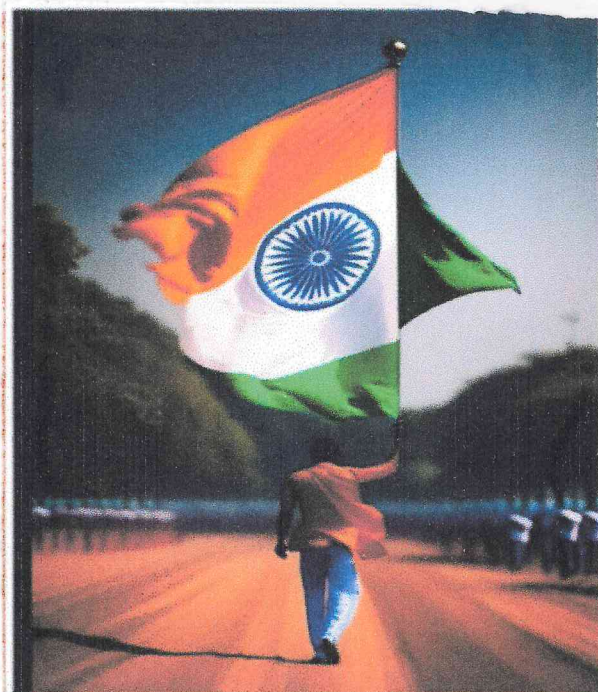

INDEPENDENCE DAY.

The 77th Independence day was celebrated with great enthusiasm by all students of the school.

A day before the ground was cleaned and decorated with flags and balloons to commemorate the day. All the students and teachers gathered in the school premises at 7:30 am in the morning. The students came to school in clean.

First we started in school prayer.

CONCLUSION

Co-curriculum activities are a vital component of education. Offering students opportunities to grow, learn, and develop in ways that extend beyond traditional academics. They build character, social skills, and passions. Ultimately, preparing students for success in both academic and real-world settings. Co-curricular enrich the educational experience, contributing to well-rounded, capable and socially responsible individuals.

CLUSTER LEVEL 'A' SPORTS

Students can perform better in academics by including sports in their daily routines. It develops the physical as well as mental strength of the students. It is important in school because it helps to teach various skills to students like leadership, patience, team efforts and social skills.

It was a great privilege to the Maulana Azad School to organise the cluster level 'A' sports competition. It was organised at the Shubhas Ground in Saklehpur. All the teachers had been prepared for more than a week to conduct this competition.

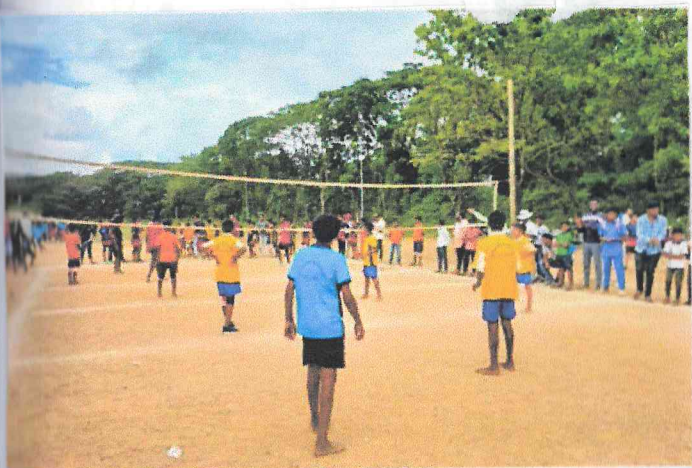

On 28 Aug 2023 all the teachers and teacher trainees were asked to present in the ground at 6:30 am. After all the participants and the sports teachers arrived to the ground, the competitions were begun. Initially running race & relay competition were

Khoo-Khoo, Volleyball, throw ball, Khabbadi, High Jump, Long Jump were played by the participants.

Lunch was arranged to all the students & teachers. Teacher trainees were assigned different works to do in the ground. Devraj sir have taken the job of distributing the food along with the senior teacher of the school, Sindhu ma'am assigned for stage programme, Shifa ma'am for writing certificate, Bindu ma'am for vote of thanks & Chaitra shree ma'am for photographs of the major events.

Respected B.E.O ma'am of Sakleshpur gave visit to the sports competition and that increase the enthusiasm of the participants. Sports competition went on the 7th in the evening. Due to lack of time management some sports were postponed to the next day.

It was a great experience for all the teacher trainees because they may have went for the sports but being teacher it gave a very different experience & responsibilities as well.

PRATHIBA KARANJI

It is an extended programme under plan scheme for primary & high school students. Prathiba Karanji is an innovative programme where cultural & literary competitions are conducted at cluster, block and district and state level. It combines education and entertainment and encourages develop the non-cognitive skills.

On 04. Aug 2023 we have conducted Prathiba Karanji with the collaboration of the Uda school, SKP. They have conducted several competitions under this Prathiba Karanji programme. Students from several schools participated in different competition held on that day. Drawing competition, clay modeling, singing competition, Poem and Speech, Mono act, Fancy dress, Essay writing all these competition were organised in the Prathiba Karanji.

Teacher trainees along with the teachers in Moulana Azad school have assigned different roles to perform their duties in programme.

Programme was inaugurated by the H.M. of Vrdu primary school, Sakaleshpur. and the respected guests have shared their opinion about the need of the talents in the growing children, soon after the end of stage programme cultural activities and competition were started in the different rooms at the same time. All the competition went well and prizes were distribute to the winners on that day only by the guests, H.M., and the senior teachers.
