Email: jssioebedskp@gmail.com website: <https://jssioebedskp.org.in> Phone No: 97405 91647**Energy Policy****Policy Statement:**

JSS Institute of Education, Sakleshpur aims to reduce energy consumption, energy cost and promotes long-term economic and environment sustainability. This policy statement sets out our commitment to efficient use of energy resources and conservation as well as making our internal operations as eco-friendly as possible.

Policy Objectives:

We aim to,

- Minimize energy use at the institution.
- Raise awareness on energy observation.
- Effective utilization of natural resources.

Implementation:

- Implementation of this policy should be the joint responsibility of the Principal, Teaching Staff, Non-teaching staff and all students of this institution.

Practices for Energy conservation and reduction of Carbon emission

- Replace traditional light bulbs with LED Bulbs.
- Switch off lights and fans when not in use.
- Switch off computers and printers, when not in use.

Participants:

Every members of the Institute contribute to energy efficiency to be an "Energy Saver"

Responsibilities of Teaching staff, Non-Teaching Staff and Students:

Every teaching and non-teaching staff and students are responsible to minimize the use of electricity and raise awareness on energy conservation.
